

January 29th 2018

Since the beginning of the year, The Whitefish Bay Police Department has taken 5 reports of stolen vehicles and 1 attempted stolen vehicle report. 4 of the stolen vehicles and the attempt occurred between 5:50 AM and 6:40 AM while the vehicles were left unlocked and running. It only takes a few seconds for someone to enter your vehicle and drive away. The subjects perpetrating these crimes are coming to the North Shore area knowing that people feel safe enough to leave vehicle unlocked and running.

In one report, two subjects approached a resident and demanded keys to a vehicle while the resident was moving vehicle around. No weapons were displayed or recovered. The Glendale Police Department observed the vehicle and initiated a pursuit. The vehicle became disabled and two subjects ran on foot into McGovern Park where they were taken into custody. A 14 year old boy and a 15 year old boy both from Milwaukee were taken to the Milwaukee County Children's Center awaiting charges.

Please remember to lock your vehicles and homes. Be aware of your surroundings and call 911 if you see a suspicious vehicle or person.
