

## INSTRUCTIONS

---

### Application for Listing on the Whitefish Bay Architecture and History Inventory (AHI)

Whitefish Bay maintains an inventory of architectural and/or historic sites located within the Village. In order for a site to be considered on the AHI, the attached application form should be completed and returned. The application is designed so that it can be completed without professional assistance. Although most of the items are self-explanatory, some may be unfamiliar to you. The following instructions explain the most frequently misunderstood items. If you have further questions, do not hesitate to contact the Historic Preservation Commission at 414.962.6690.

1. **Historic Name:** This is ordinarily the first name given to the building or the name of the original owner(s). This information is generally available from the Village's property records. A name associated with a site at a later date may also be used if it can be demonstrated to have more historic validity than the name by which it was first known.

**Common Name:** This is usually the name by which a site is currently popularly identified. It may be the same as the historic name, but it often is the name of the current owner(s).

5. **Description** – Provide a general description of the structure's shape, building materials, and exterior features in paragraph form. Specify types and colors of materials, the design or pattern of decorative ornament, and the arrangement of architectural elements. Also describe other features on the site such as outbuildings, decorative fences, sculpture, fountains, or landscape treatments that may add to the significance or historic character of the site. Briefly describe additions or alterations as well as non-historic features. To help describe the structure or site, you may wish to include one or more photographs.

To help describe the structure, check the features located in this section.

6. **Significance** – Check any of the areas of significance that you believe appropriate for the site, and then provide a written statement of significance in which you explain why the site is important in these categories.

Return the form to:

Historic Preservation Commission  
Village of Whitefish Bay  
5300 North Marlborough Drive  
Whitefish Bay, WI 53217
